Dear Ringgold Community,

On December 21, 2022, at the regularly scheduled school board meeting, the Ringgold School District Board of Directors approved updates to Ringgold School District Policy #200 - Enrollment of Students and Policy #201 - Admission of Students. The updated policies can be found on the Ringgold website at [Active Policies - Ringgold School District BoardDocs® LT.](#)

Policy #201 - Admission of Students had a notable change in the age requirement for incoming kindergarten students. Beginning with the 2023-24 school year, any student being registered for kindergarten must be five year of age on or before July 31, 2023.

Kindergarten registration will begin on Monday, February 20, 2023. Please watch for more information regarding kindergarten registration soon.

Sincerely,

Thomas W. Grierson
