Dear Ringgold Families,

The Ringgold School District has been engaged in a thorough comprehensive planning process which occurs once every three years. The two results of this process are:

- (1) our 2022-2025 Future Ready Comprehensive Plan, and
- (2) our 2022-2025 Special Education Plan

These plans were put together with support and contributions from stakeholders in all of the different facets that make up the RSD community, and are intended to be a living, breathing documents that serve as the district's strategic compass going forward for the next several years.

Beginning May 12, 2022, a draft of these plans will be posted on the district website using the links provided below. Paper copies, as well as public comment forms, will be available at the District's Administrative Building for review.

We encourage you to submit any comments and questions via the public comment forms or via email at rsdinfo@ringgold.org by June 9, 2022.

Please take time to review the plan documents here:

[2022-2025 Ringgold School District Special Education Plan](#)

A final version of each plan will be submitted to the Board of School Directors for formal approval at the regular School Board Meeting on Wednesday, June 15 at 7:00 PM. Following approval both will be submitted to the Pennsylvania Department of Education.

Thank you for your continued help and support. We believe education is a partnership between family, school, and community and with that in mind, we look forward to your feedback.

Sincerely,

Randall Skrinjorich
Superintendent of Schools
