Other news

Ringgold will be launching a new website to help streamline the process to turn in physical forms prior to each season. All the information that needed to be entered on the physical packet can now be entered online with the exception of the Section 7 Medical Examination Form (prior to their first season participation in an academic year) and the Section 8 Re-Certification Form (prior to their next season of participation in an academic year). Upon completion of these forms, they can be uploaded to your athlete's account on the Arbiter Registration website. Here is the website:

Please welcome our new RHS principal!

Dr. Saraceni

It is with great excitement that I join you as the new principal of Ringgold High School. My name is Dr. Greg Saraceni and I am eager to get to know all of you. I was most recently an assistant/grade level principal at Hempfield Area High School. I served in that role for the past seven years. Prior to that, I served as an assistant principal at Penn-Trafford High School for three years. Before my transition to administration, I taught middle and high school English in the New Kensington/Arnold School District and the Penn-Trafford School District, where in the latter I also served as department chair and dean of students. I earned my bachelor's degree from the University of Pittsburgh @ Greensburg, my teaching certificate and master's degree from Saint Vincent College, and my doctorate from IUP. I am originally from western Pennsylvania, but I grew up in York, PA, which is in south central Pennsylvania about an hour north of Baltimore, Maryland. Yes, I took a lot of grief growing up for being a Pittsburgh sports fan and not a Baltimore or Philly fan.

My wife, Brandie, and I have four children. Bailey, our oldest, is a Spanish teacher at Springdale Jr./Sr. High School in the Allegheny Valley School District; Tanner, our only son, is an Environmental Scientist; Mia is a senior in high school, and Addison is a junior in high school. As a family, we enjoy going to the beach, camping, hanging out around the house either swimming or having game nights.

I look forward to working with the students, staff, and parents of Ringgold School District.

Nine Ringgold students participated in Washington County Chorus on January 26-27. Row 1: G'Anna Worry, Kristen Himes, Trista Reiff, Tori Ciarimboli, Eden Aubenque.

Row 2: Gabe Morales, Bees Kendall, Spencer Tayler, and Ben Jarosh.

Gabe, Trista, Spencer, and Ben were each chosen for solos.
