Message from Mrs. Gilbert and Dr. Mumau

Dear Ramily,

This school year is off to a great start! We have welcomed back our families and have hit the ground running. The students continue to impress us with their hard work and thoughtfulness. They have already shown us that they are ready to put their focus on their academic skills as well as their leadership skills. We see students caring for one another and we want to build on that and keep that momentum going! Leader In Me is a program that is helping us to focus on the 7 habits of highly effective people. Just think of where our students can and will be after they have learned how to apply these habits to their daily lives!

Morning Arrival

Thank you to everyone who has helped to make sure that morning car rider drop off runs safely and smoothly! We have successfully been able to avoid any additional traffic jams thanks to your help! Please remember the ways that you have been able to assist with this:

- Please send your children on the bus. 😊
- Push your car rider arrival time to 8:40. There is significantly less traffic between 8:40 and 8:50.

Permission Denied to Photograph or Videotape

Periodically your child's picture may be taken for publication in the local newspaper, in special presentations, or on the school district's website/social media sites. If you DO NOT permit your child's picture to be taken for publication, please complete the Permission Denied to Photograph or Videotape form found on the RESS website under RESS Forms and also found here: [Adobe Acrobat Sign](#)

Electronic Devices Including Cell Phones and Ear Buds, etc.

Please note that District Policy prohibits student use of personal communication and listening devices during the school day and on district transportation. These devices must be powered off and remain in the student's backpack/cubbie. The complete policy can be found on the district's website under Section 200, Code 237.
