## Leader In Me

The fourth habit of Leader In Me is to THINK WIN-WIN!

### Habit 4: Think Win-Win®

## Everyone Can Win

Thinking win-win is the key to working well with others. It is the most effective way of thinking, especially in a family. Families that learn and practice win-win thinking are happier, experience less conflict, and are better able to meet the family challenges that arise.

### STEPS

1. I balance courage for getting what I want with consideration for what others want.
2. I make deposits in others' Emotional Bank Accounts.
3. When conflicts arise, I look for 3<sup>rd</sup> Alternatives.
4. I cooperate instead of compete.

### COMMON LANGUAGE

Cooperate  
Mutual  
Win-win

### THE 7 HABITS

**Be Proactive**

**Begin With the End in Mind**

**Put First Things First**

**Think Win-Win**

**Seek First to Understand**

**Then to be Understood**

**Synergize**

**Sharpen the Saw**
