## Leader In Me

The sixth habit of Leader In Me is to SYNERGIZE!

Habit 6: Synergize®

## Together Is Better

*"Synergy is not just teamwork or cooperation. Synergy is creative teamwork, creative cooperation. Something new is created that was not there before."*  
—Stephen R. Covey

Pick a date this month to Synergize as a family. Ask your family to think about a certain issue and bring their ideas to a family meeting. At the meeting, creatively work together using the "Family Synergy Action Plan."

### WHAT IS SYNERGY?

#### Synergy is:

1. Celebrating differences.
2. Working together.
3. Being open-minded.
4. Finding new and better ways.

#### Synergy is not:

1. Being intolerant.
2. Working independently.
3. Thinking you are always right.
4. Being selfish.

### COMMON LANGUAGE

Creative cooperation  
Creative teamwork

## Paraprofessionals Needed!

Would you like to have the same schedule as your RESS child? Looking for a way to support our students at RESS? Our classrooms are always in need of additional paraprofessional support! If you are interested in a full-time position as a paraprofessional in our building, please apply using the following link: [Ringgold School District - Paraprofessional \(tedk12.com\)](https://www.ringgold.k12.mo.us/paraprofessional)

## RESS PTA Sign-Ups

There is still time to sign up for a PTA membership and be a part of a wonderful organization that brings educational and social experiences to our students throughout the school year! You can click here [RESS PTA Membership Form 21-22.pdf \(ringgold.org\)](#) for a membership form and for more information.

## Students and Edible Treats

Due to childhood allergies and food sensitivities, we cannot permit students to pass out edible treats to their classmates. If there is something that you want to donate to your child's teacher to use for rewards or incentives, that is permitted. However, treats brought in to celebrate birthdays are not permitted at this time. Thank you for your understanding.

## RESS Restroom Expectations

The following graphic represents the expectations that we teach our students surrounding proper restroom behavior. This is posted inside and outside of each restroom at school for all students to see and for the faculty and staff to reference during restroom breaks. Please talk to your children about the importance of meeting these expectations while using the restrooms at school. **#GoFlushWashLeave**
