Leader In Me

The seventh habit of Leader In Me is to SHARPEN THE SAW!

Habit 7: Sharpen the Saw®

Balance Is Best!

Family Activity:

1. Take time to write down some activities your family can do to balance your lives. Is there something you would really like to do but haven't or haven't done in a long time? Choose one or two activities and make a plan to Sharpen the Saw together. Pick a date you will complete the activity by or the date you will discuss the activity details with your family. Write it down on your family calendar where everyone can see it.
2. Have each member of your family answer the following question by either writing or drawing their answer.
Parents: What would a "personal day" look like to your ten-year-old self? Kids: If you could have a day to do anything at or around your home, what would it look like?

Report Cards

The Q1 Report Cards have been emailed to all students grades K-12 and to the parents. The grades are also posted on the Portal.

Parent/Community Focus Group

The Ringgold School District is currently going through a strategic planning process to help us establish our educational and operation goals for the success of our school district now and in the years to come. We are currently gathering information and opinions from a variety of stakeholder groups, and we would like to invite you to participate in this process in one of our focus group sessions. The session will be hosted by our consultant from Studer Education, Wanda Creel, on November 16, 2022, at 5:30pm at Ringgold Middle School. Your willingness to participate is very much appreciated!

Paraprofessionals Needed!

Would you like to have the same schedule as your RESS child? Looking for a way to support our students at RESS? Our classrooms are always in need of additional paraprofessional support! If you are interested in a full-time position as a paraprofessional in our building, please apply using the following link: [Ringgold School District - Paraprofessional \(tedk12.com\)](http://Ringgold School District - Paraprofessional (tedk12.com))

RESS PTA Sign-Ups

There is still time to sign up for a PTA membership and be a part of a wonderful organization that brings educational and social experiences to our students throughout the school year! You can click here [RESS PTA Membership Form 21-22.pdf \(ringgold.org\)](https://ringgold.org) for a membership form and for more information.

Students and Edible Treats

Due to childhood allergies and food sensitivities, we cannot permit students to pass out edible treats to their classmates. If there is something that you want to donate to your child's teacher to use for rewards or incentives, that is permitted. However, treats brought in to celebrate birthdays are not permitted at this time. Thank you for your understanding.

RESS Hallway/Stairs Expectations

The following graphic represents the expectations that we teach our students surrounding proper hallway and stairs behavior. This is in each hallway and stairwell at school for all students to see and for the faculty and staff to reference while passing through. Please talk to your children about the importance of meeting these expectations while moving through the building.
