This Week's Message from Mr. Ference

Dear Parents and Guardians,

In keeping with our Leader in Me initiative, I wanted to share another one of the 7 habits that our students are learning about.

Habit 3 says Put First Things First.

Students are learning to how to place emphasis planning and spending our school time on the most important things. This includes our schoolwork, being respectfully talking to my classmates, and saying no to things I know I should not do or are unsafe.

Ask your children today how they are putting first things first.
